

## ***Peter Duncan Gilbert Publications 1***

*Last updated: 10.4.2013*

### **PETER DUNCAN GILBERT: MAIN PUBLICATIONS**

My approach in publications is to attempt to add to the knowledge- base in respect of Spirituality and Mental Health, and the leadership approaches required to create a value-based mental health service with a spiritual ethos. I attempt to bring together: conferences, conference papers, books, articles for various audiences (peer reviewed and 'popular') and policy guidance in order to bring knowledge into practice.

### **RELEVANT BOOKS AND MONOGRAPHS:**

Gilbert. P (1979) (with Dr Peter Dickens) *The State and the Housing Question: A local study and some wider issues*, Brighton: University of Sussex Monograph

Gilbert. P. (1985) *Mental Handicap: A practical guide for social workers*, London: BPI
